What is the Fountain of Love?

The Fountain of Love was created to be an ever-flowing source of funds to provide financial assistance to people living in a Methodist Home.

What does the Fountain of Love do?

Provides hope to people in a Methodist Home who find that they no longer have sufficient financial resources to continue paying their entire monthly care charge.

How is the Fountain of Love funded?

The fund is heavily dependent upon donations, including the Fountain of Love offering, church gifts, memorials, bequests, and other gifts.

What difference does the Fountain of Love make?

In its 56+ year history, no one has ever been asked to leave a Methodist Home due to their inability to pay.
It was in 1968 -- 50 years ago -- that Methodist Home for the Aging, now known as Methodist Homes of Alabama & Northwest Florida, opened their first care community for the elderly in our Conference. Today Methodist Homes operates four care communities in our region which may be more familiar to you as Wesley Gardens in Montgomery, Wesley Haven Villa in Pensacola, Mathison Retirement Community in Panama City, and Wesley Place on Honeysuckle in Dothan (formerly known as Wesley Manor).

I am thankful to learn that through the generosity of United Methodists in our Alabama-West Florida Conference to the Fountain of Love Fund, no resident of a Methodist Home has ever been asked to leave due to their inability to pay. It warms my heart to know that this Conference is actively involved in taking care of people who are needy and vulnerable.

And so I joyfully encourage you to continue to do what you have been doing -- supporting the Fountain of Love...

In Christ,
Bishop David Graves
Alabama-West Florida Conference
